

Project: Tooele City Commercial Park

Recipient: City of Toole

Location: Toole, Utah

Purpose: The Tooele City Commercial Park consists of 210 acres of property which will be used for high tech/business development for companies looking to locate in Tooele City. This project will include a 50 acre campus of the extension of Utah State University (USU). Tooele will partner with the USU to develop jobs and an incubator to promote businesses that would use the University's programs.

Funding for this project will construct the major road, water and sewer lines necessary to open the first 100 acre phase 1 of development.

Amount: \$1,000,000
